## **PROOFREADER WARMUP**

### **PROBLEM 1:**

Be quick to discover your errors even if you will not correct them just now. As soon as you begin to apply your skill you may be taught an easy way to correct errors. For now, learn to excel in finding and marking them

---

### **PROBLEM 2:**

Success does not mean the same thing to everyone. For some, it means to get to the top at all costs: in power, in fame, and in income. For others it means just to fulfill their basic needs or wants with as little effort required.

---

### **PROBLEM 3:**

Cap the first word and all proper nouns in every sentence.

For example: pablo Mendez is from San Juan, Puerto Rico.

Ami Qwan and parents will return to Taipei this summer.

Our coffee is from Columbia; tea, from England or China.

Did you know which of the states once were part of Mexico?
